

## Who I Would Like To Interview

My Name: \_\_\_\_\_

Brainstorm three or more people you know who you would like to interview. They could be members of your family, a close friend, or someone else you know in the community.

As you make your list, think about these questions:

Does this person live nearby?

Does this person tell good stories?

Do they have an interesting life?

Do I want to know more about them?

**Write the names of the people you'd like to interview (make sure they live nearby!!!):**

**How do you know them? Write your relationship to each person below:**

**Why did you pick these people? Write some reasons for each person:**
